

A Nativity Scene to make yourself

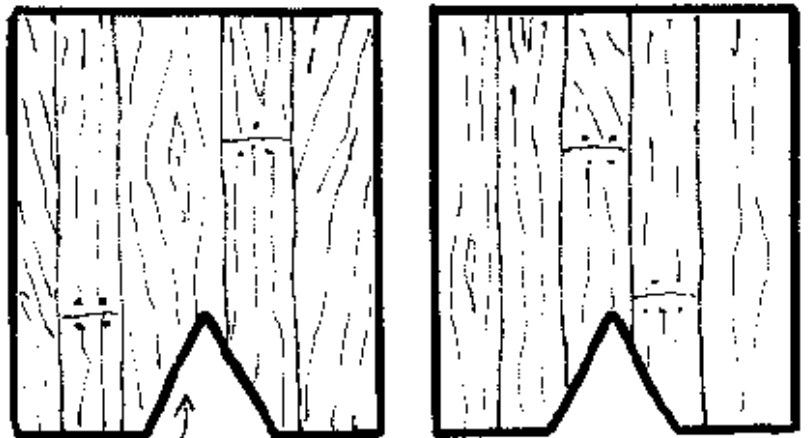

Free from www.ScrapbookScrapbook.com

All you need to make your own manger scene are scissors, glue, and the next 8 pages.

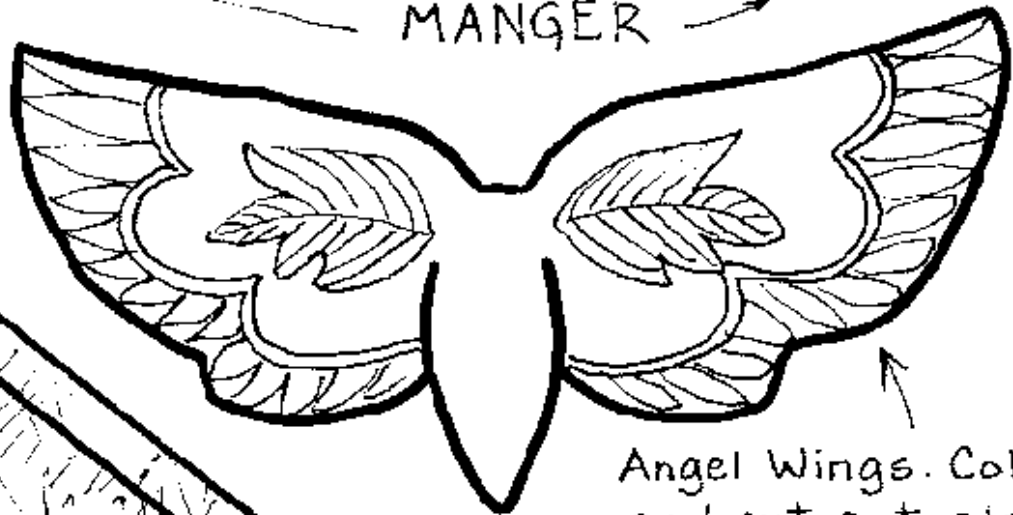

Do your coloring or painting first. Do not color or paint the tabs to be glued.

Fold on the dotted lines. Your folds will be nicest if you first score the fold lines with a straight edge (ruler) and a ball point pen that no longer writes.

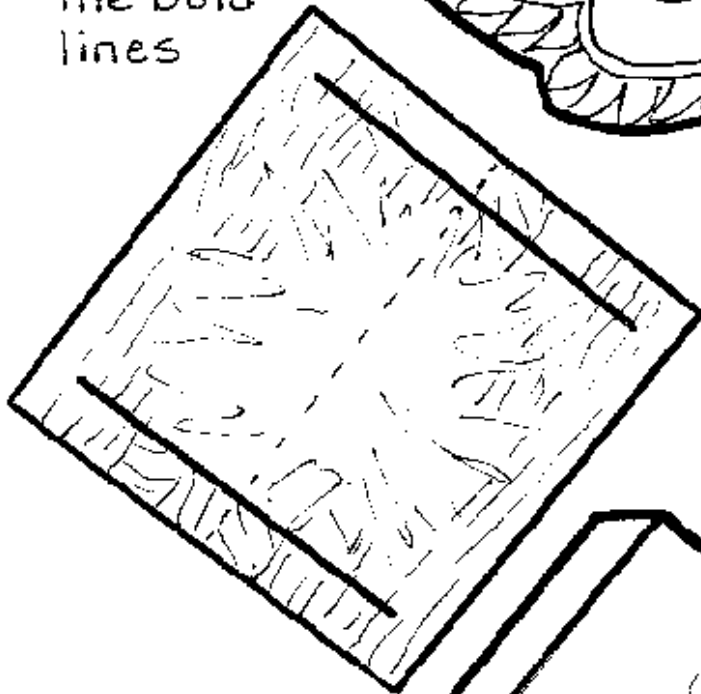

Slide
mangers
crib-slits
over the legs

MANGER

Color &
Cut along
the bold
lines

Angel Wings. Color
and cut out along
the bold outlines.
Slip the wings
into the back of
glued Angel.

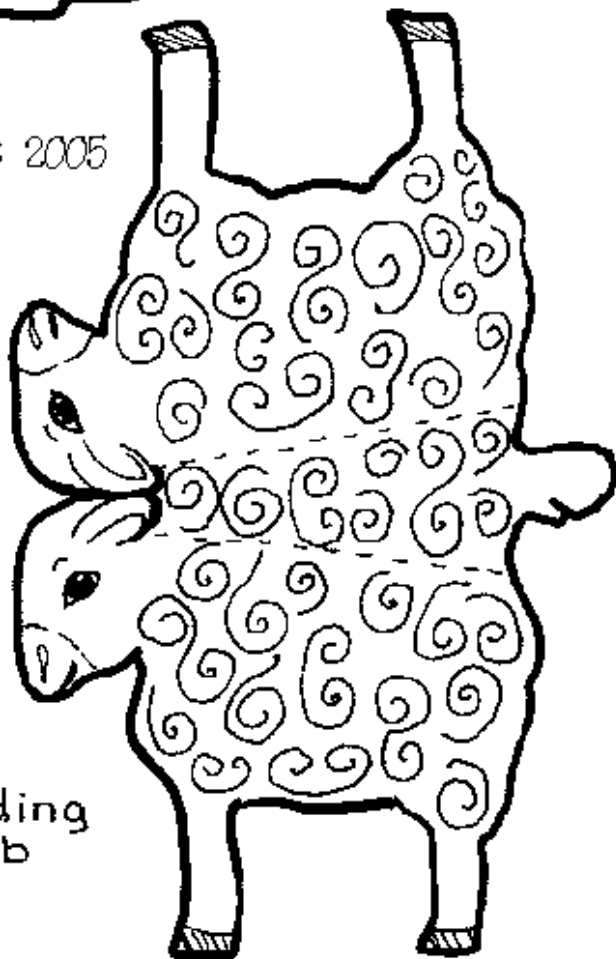

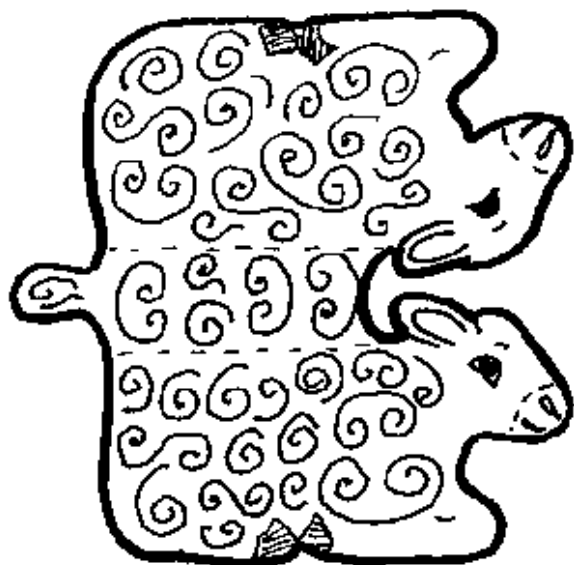

ANGEL

Joseph,
Jesus'
Earthly Father
